--	---	----------

PROJECTS

RecordStore – *Web App that Stores a User's Record Collection (Link Available at RyanTimmonsDev.com)*

- Back-end built with Ruby on Rails 4
- Utilizes custom routing, view partials, model validations, strong parameters, and other RoR concepts
- Front-end developed with HTML/eRuby, CSS/SCSS/Twitter Bootstrap, and JavaScript/jQuery/CoffeeScript
- Deployed via Heroku with a PostgreSQL database
- Test suite supported by RSpec, Capybara, and test factories

DEVELOPER SKILLSET

- **Languages:** Ruby, JavaScript, VBA, familiarity with Python
- **Frameworks:** Ruby on Rails, MVC principles, familiarity with AngularJS
- **Front-End:** HTML, CSS/SCSS/Twitter Bootstrap, Javascript/jQuery/CoffeeScript/AJAX/UJS, eRuby
- **Database:** PostgreSQL, SQLite, ORMs such as ActiveRecord
- **Testing:** TDD using RSpec, Capybara, and FactoryGirl, familiarity with BDD using Cucumber and Gherkin
- **Other:** Git, GitHub, Linux Command Line/Terminal, Heroku Deployment, RESTful APIs

WORK EXPERIENCE

First Community Credit Union – *Floating Manager/Management Trainee; Houston, TX* July 2013 - Present

- Learned to utilize various lending, transactional, security, and financial programs
- Interacted with members to troubleshoot a wide variety of issues at a quick pace
- Directed branch operations at various locations as a floating manager
- Completed branch reports for management and developed improved methods of tracking performance
- Adapted quickly to various branch positions (including AVP, FSA, and Lead Teller) in an environment of self-accountability

Mouser Electronics – *Intern; Mansfield, TX* Summer 2012

- Developed VBA macros to automate accounting functions
- Assisted accounting staff with completing cyclical reports and monthly statements
- Completed end-of-month/end-of-quarter tasks accurately and in accordance with deadlines
- Researched discrepancies and tracked specific information across multiple documents to resolve conflicts
- Aided extensively with fixed assets and foreign branch financials

LEADERSHIP EXPERIENCE AND ACTIVITIES

FCCU Employee Activity Club – *Board Member (Outreach)* January 2014 – Present

- Coordinated monthly employee events and giveaways with other board members
- Designed and maintained employee sign-up sheets, including real-time cost-tracking
- Assisted at and participated in large-scale EAC events

Hispanic Business Student Association – *Member* Fall 2012 – Spring 2013

- Volunteered at on-campus events and HBSA-sponsored career fairs
- Participated in community outreach projects
